

command_service.CommandService.execute

```
graph LR; A[command_service.CommandService.execute] --> B[command_service.CommandService.append]; B --> B;
```

The diagram illustrates a sequence of method calls. It starts with a grey rectangular box on the left containing the text 'command_service.CommandService.execute'. A straight blue arrow points from the right side of this box to the left side of a white rectangular box on the right, which contains the text 'command_service.CommandService.append'. Above the white box, a curved blue arrow starts from its left side and points back to its right side, indicating a self-call or a recursive operation within the 'append' method.

command_service.CommandService.append
