

grid_scene.GridScene.draw
Background

grid_scene.GridScene.update
_labels

grid_scene.GridScene.
_nice_step

```
graph LR; A["grid_scene.GridScene.draw  
Background"] --> C["grid_scene.GridScene.  
_nice_step"]; B["grid_scene.GridScene.update  
_labels"] --> C;
```

The diagram illustrates a flow or dependency. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'grid_scene.GridScene.draw' followed by 'Background' on a new line. The bottom box contains 'grid_scene.GridScene.update' followed by '_labels' on a new line. Two blue arrows originate from the right side of these boxes. The arrow from the top box points to the top of a gray rectangular box on the right. The arrow from the bottom box points to the bottom of the same gray box. The gray box contains the text 'grid_scene.GridScene.' followed by '_nice_step' on a new line.
